

***Stay away
from burning brush
and garbage.***

***Clean up sharp
tools and put them away
in their proper places***

***Keep away
from poisons, chemi-
cals, pesticides and
weed killers. Avoid
newly sprayed
ground.***

***Don't
burn near
oil bins***

***Wear shoes with
good soles and watch
out for gopher holes!***

***Never watch some-
one welding. Keep far
enough away to be safe.***

***It is not
safe to swim in
rivers. Never, ever
swim anywhere
unsupervised.***
